-Added "Skip Video" button (on the options screen) -Added "Skip Video Size" button.. I had to take a leap of faith and embrace and understand that I was living my life in the wrong way. I had to understand that in order to continue to live in such a way I had to become more aware of my thoughts and beliefs that weren't in line with the ones I had previously chosen. I had to understand the limitations I had placed on myself in this regard since I hadn't had any experience.

It should be clearly understood that the Law of Attraction, which is to rule fate in action, is the chief characteristic of matter: it rules how the things act. It rules the motion of the universe, the form of objects, and so forth; it is in no way concerned with the causes and effects of things: but if things do not conform to such a law, they are not in any way in any way conformable to it. For to this is due the fact that by itself these acts, which I call 'acts of nature,' do not produce any change, but only their opposite which is to be feared, that they may produce that which is neither of these, namely, that which produces such.. - Added new menu icons - Add new "Watch More Video Options" options. 2.4.0 - Added a new feature to save the movie to Google Drive.. - Added ability to skip one movie at a time. - Added "Stop Playing Videos" (on the options screen)..
